Pemba Island: An Island of Untapped Potential

Pemba Island presents a rare side of Zanzibar—peaceful, naturally rich, and deeply authentic. Known for its lush landscapes, pristine coastline, and refined sense of seclusion, the island offers a setting that is increasingly attractive for premium hospitality and destination-led investment.

Surrounded by mangroves, coral lagoons, and turquoise waters, the resort offers a rare balance of privacy, serenity, and immersive nature. Every element—from architecture to landscaping—is thoughtfully designed to connect guests with the island's natural rhythm.

We invite you to be part of this remarkable journey. Together, let us build the future - beautifully.

NH Collection Zanzibar, Pemba Island Resort

Set along the pristine northeastern coastline of Pemba Island, this luxury eco-wellness retreat is a harmonious blend of contemporary hospitality and untouched beauty.

Surrounded by mangroves, coral lagoons, and turquoise waters, the resort offers a rare balance of privacy, serenity, and immersive nature. Every element—from architecture to landscaping—is thoughtfully designed to connect guests with the island's natural rhythm.

With 172 keys including villas and suites, the resort delivers an intimate yet expansive experience tailored for relaxation, rejuvenation, and refined living.

Highlights of the Resort

Spa & Wellness

A dedicated wellness destination designed to bring together relaxation, movement, and restorative care through spa treatments, fitness facilities, thermal experiences, and advanced wellness offerings.

Beach Club & Recreation

A vibrant leisure setting that combines the relaxed character of the island with spaces for recreation, social connection, and outdoor enjoyment within the resort environment.

Dining Experiences

A thoughtfully curated dining offering that adds variety and character to the resort, from relaxed coastal settings to more refined culinary experiences shaped by quality and atmosphere.
